Due to the nature of audio components and OEM Model/Year running changes, this application data may vary. Rostra does advise that you confirm the audio source properly integrates with the plug-in harness PRIOR to any dashboard alteration in the event that the vehicle has a deviated sound system. To assure you are prepared for deviations, Rostra recommends to carry the full line of kits.

Change Log

1/12/2016

Con-Verse System 250-7504-TY8 applications removed. Vehicle intrerface harness no longer available.

Make	Model	Year >=	< Year	Radio Description	Rostra Kit	Harness	Switch	Base Kit
