Notes: For HMI Modules the vehicle must have the 8" screen. 250-7717D is a complete OEM radio for vehicles listed.

VIN Confirmation is required by Picture of Window sticker, inner drivers door sticker, or VIN plate. If incorrect VIN is supplied the unit will be subject to a \$100.00 reprogramming charge. All parts are programmed and drop shipped as ordered. \*1 - 2019 Cruze / Malibu in Old Body Style with IOE ONLY. \*2 - GM Now only offers Nav with Surround view, adding to a vehicle without Surround view will result in loss of the factory parking lines. No solution at this time. This is Only the Equinox. \*3 - The vehicle must have a SD Card slot at the USB hub, if not equipped the Hub must be ordered at an extra cost.

\*\*Must verify on vehicle. \*\* If vehicle does not have factory DVD/CD Player then the CD icon will not function. Adding CD/DVD is possible for an extra charge, contact customer service for if confirmation of a Vin is not provided as described above a reprogramming/return charge of \$100.00 will be applied.

Optional features such as Camera Activation on a module is available at an added charge, see price sheet for details.

\*\*\*This is a Complete radio exchange NOT an HMI module. Vehicles may require trim specific kits. Final Prices can only be quoted after a Vin is supplied and verified by customer service. NOTE: Allow yourself extra installation time for the Radio Exchange units.
